Mission: SONlight

August 31, 2007

Church Leader:

After nearly 40 years of family ministry, *Mission Spotlight* will cease production at the end of 2007. This family has shown a deep devotion and love for people and mission. This can be seen through their up-close presentations from places so far away. It is that commitment that we at *Mission: SONlight* desire to communicate in the next chapter. Network 7 Media Center begins producing *Mission: SONlight* for your use in January 2008. Please consider sharing the enclosed information with your board and call me with any questions.

Mission: SONlight will bring new technology and a fresh look to your view of the mission field. There will be two editions of *Mission: SONlight*. The first will be the Traditional Edition: This will come in two lengths, an approximately 3 and 8 minute production. It will spotlight mission in the tradition you have trusted for nearly 40 years. The second will be the Edge Edition: This will also come in two lengths, an approximately 2 and 6 minute production. It is a faster paced contemporary approach to the mission outlook. It may fit best into more contemporary services and high school/college programs. Your church can choose from any selection, giving you 4 choices every month. There will be bonus features from time to time, such as church ministry resource updates from our partners at *AdventSource*.

Register soon to join *Mission: SONlight* in 2008. There are 3 ways to continue your subscription from *Spotlight* to *SONlight*. 1) Fill out and mail the enclosed postcard in today. PLEASE RETURN BEFORE October 15th, 2007. 2) Call *AdventSource* at 1-888-221-6272. 3) Log on to www.missionsonlight.org. Download all information, including the postcard.

Billing for *Mission: SONlight* will be on an annual or quarterly basis and will be billed directly from *AdventSource* for Network 7 Media Center. You will no longer receive your bill from the union in 2008. This will simplify matters for your local conferences and unions who have previously routed the billing every quarter. Quarterly subscription rates are \$45 for churches under 300 members, 300 to 750 members will remit \$55, and those over 750 in membership should return \$65. Churches can register and be billed anytime of year. However, to offer the lowest possible price and to simplify billing we are asking churches to pay their remittance on an annual basis, which *AdventSource* will invoice to you.

For 2008 subscriptions, deduct 10% if we have your annual renewal subscription payment prior to November 5, 2007. If your church needs to arrange for a quarterly remittance that option is available from *AdventSource*. Again, the annual due date is November 5th. For 2008 subscriptions to receive the 10% renewal discount, you must remit the annual subscription prior to November 5, 2007. Remember churches can register anytime of year.

Every subscribing church will receive a copy of the quarterly DVD for their use. Once we receive your renewal we will send out a complimentary sample DVD. This helps ensure the mailing process is intact, prior to the first *Mission: SONlight* for 1st quarter 2008. To view the promotional video for *Mission: SONlight* now, log on to www.missionsonlight.org and click on the *Mission: SONlight* video link. You can also tell your friends in other churches to log on to find out how they can sign up their church. In 2008 the 13th Sabbath division offering appeals are as follows: 1Q, Euro-Asia; 2Q, Inter-American; 3Q, NAD; 4Q, Northern Asia Pacific. Production has already begun for the first reports we'll bring you.

We are thankful and honored for this opportunity to continue the vision. If you have specific questions before you order, please call me at 1-423-855-4877 (not the order number at *AdventSource*.) Please pray for *Mission: SONlight*, specifically for our video/prodruer teams heading into distant countries in a very volatile global climate. Finally, we ask for your prayers as we fill the shoes of those who have been before us and prepare the land for those who will surely follow. Your 13th Sabbath Offering is for people the world over. This is *Mission: SONlight*.

Communicating Hope,
